"I had a constant bearing down pain that made me feel dreadfully nervous, and the pain

other, but nothing seemed to do me siny good. I was so discouraged and downhearted I din't care much what happened, or if I ever got well.

Finally some one told me to take Dr. Greene's Nervara blood and nerve remedy, and said so much about the good it did women who suffered from female weakness that I decided to try it. I cannot sayenough for this medicine. Dr. Greene's Nervara blood and nerve remedy is the best medicine on earth for nervousness and female weakness, and every woman who suffers from these troubles ought to get Dr. Greene to core them. I took four bothes of Nervara and my pains are all gone. My periods are regular every month, without the slightest pain, my backache is all gone and there isn't the slightest dischinge any more. The folks who see me now, who see how contented and happy and strong I am, think it is a miracle."
